

The Depot Coffee House Art Submissions

The Depot Coffee House would love to display your art in our facility. Anyone can submit art for display regardless of age or school district of residence. While the hope of The Depot is to create an atmosphere of artistic creativity with as much freedom as possible, The Depot reserves the right to reject any artwork from display that is deemed inappropriate by The Depot Youth Board of Directors.

Artists are free to advertise prices and contact information for each piece of art on display and it is NOT the policy of The Depot to take any commission from pieces sold while on display at The Depot.
